4.2 Orders Procedures

(a) Purchase Order — For all Product purchases, Distributor will issue a purchase order to Company in written form, each of which purchase orders is not binding on the Company until the Company confirms and accepts an applicable purchase order. By submitting a purchase order, Distributor merely makes an offer to purchase Products under the terms and conditions of this Agreement and on no other terms. Except for those items in the immediately following sentence, all terms and conditions contained or referenced in a

purchase order are void and have no effect. Each purchase order will set forth the (i) quantity and type of Products to be purchased, including make/model number, UPC/SKU/Product Identifier, (ii) requested delivery date, which must be no sooner than the Company's standard published lead time for Products (iii) the address where the Products will be delivered (the "Delivery Point") and a phone number for delivery. If Distributor desires a delivery date that is sooner than Company's standard published lead time for Products (a "Rush Order") it must indicate that in its purchase order, which as noted below, the Company may accept or reject in its sole discretion.

(b) Purchase Order Acceptance — Company may, in its sole discretion, accept or reject any purchase order. Products will generally ship two to three (2-3) business days after an order is complete and ready for shipment under the terms of this Agreement. If the Distributor desires to pick up the Products that are the subject of a purchase order, it may do so with the consent of the Company and at such time as the Products would otherwise be ready to ship under the terms of this Agreement.

All Products will be deemed accepted by the Distributor unless it notifies the Company in writing within two (2) business days after receipt of such Product, furnishes written evidence or other documentation as required by Company, and such Products are, in fact, Nonconforming Goods, as reasonably determined by the Company, in its sole discretion. If Company determines that the Products properly rejected by the Distributor or, in the case of a drop shipped Product, a Customer within such 2 business day period are Nonconforming Goods, it will either, in its sole discretion (a) replace the Nonconforming Goods with conforming Products, or (b) refund the Price for the Nonconforming Goods together with all shipping expenses incurred by Distributor in connection with the same. If Company exercises its option to replace Nonconforming Goods, Company will, after receiving Distributor's shipment of Nonconforming Goods, ship to Distributor or the Customer, in the case of a drop shipped Product, the replaced Products to the Delivery Point. The remedies set out in this Section 4.5 are Distributor's exclusive remedy for Nonconforming Goods.

Company may charge 120% or more of the Prices for any Products that are subject of a Rush Order.

(b) Shipping Charges, Insurance And Taxes — Distributor will pay for shipping charges and insurance costs in accordance with Section 4.4. All Prices are exclusive of all sales, use and excise taxes, and any other similar taxes, duties and charges of any kind imposed by any governmental authority on any amounts payable by Distributor under this Agreement, for all of which Distributor is responsible.

(c) Payment Terms — Unless otherwise agreed, Distributor will pay all amounts in each purchase order due to Company on or before the shipment date and no Products under a purchase order will ship until payment in full has been received by the Company for the entire purchase order. Distributor will make all payments in US dollars by check, credit card or wire transfer. All Custom Products and purchase orders of \$4,000.00 or more require a 50% deposit made with the purchase order. Company may at any time change its credit terms and require a deposit, a larger deposit or prepayment of any order if it has any reason (determined in its sole discretion) to doubt that the Distributor will pay timely or at all, which includes, without limitation, any prior late payment.

(d) Late Payments — Distributor will pay interest on all late payments, calculated daily and compounded annually, at the lesser of the rate of one percent (1%) per month or the highest rate permissible under applicable law. All uses by the Distributor of the Trademarks must be pre-approved by the Company. If the Company supplies the Distributor with promotional materials (e.g. catalogs, photography, samples), the Distributor may not modify those materials and may only use them to promote Products. Distributor will promptly discontinue the display or use of any trademark to change the manner in which a trademark is displayed or used with regard to the Products when requested by Company and upon the termination of this Agreement.
